

**HOW TO ACCESS BUGEMA UNIVERSITY E-LEARNING PLATFORM THROUGH  
MTN ZERO-RATING**

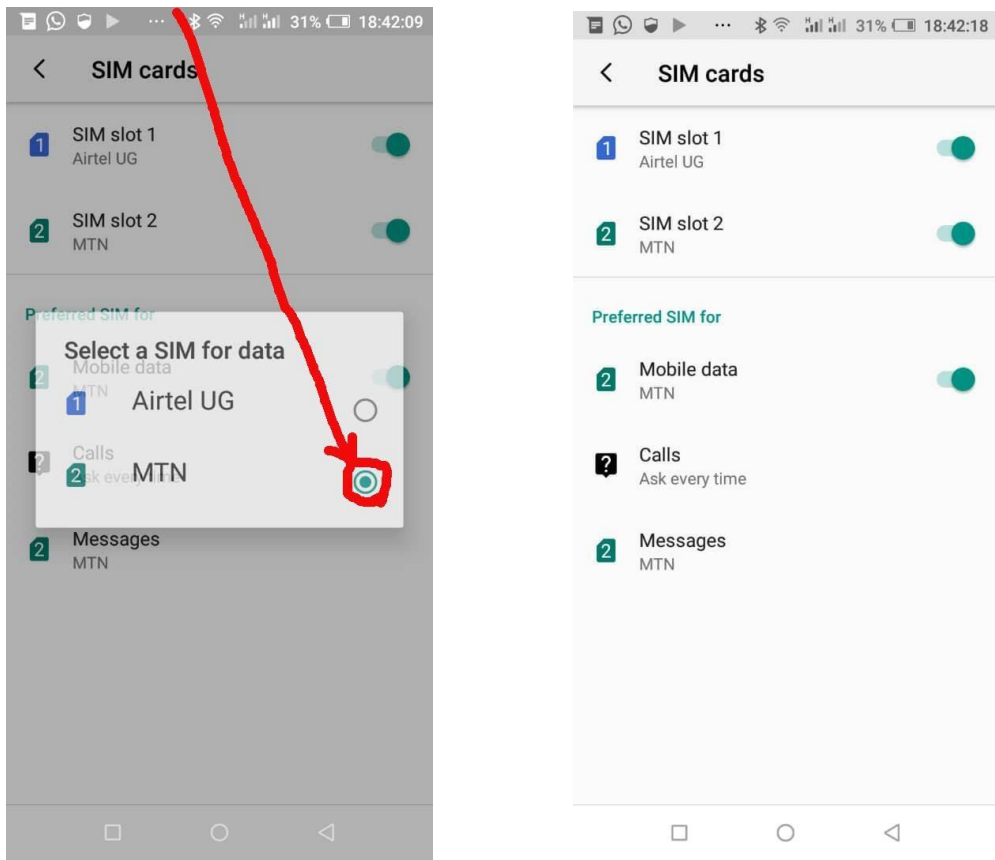

1. Go to your phone menu and locate the “settings” icon then Select “SIM CARD”

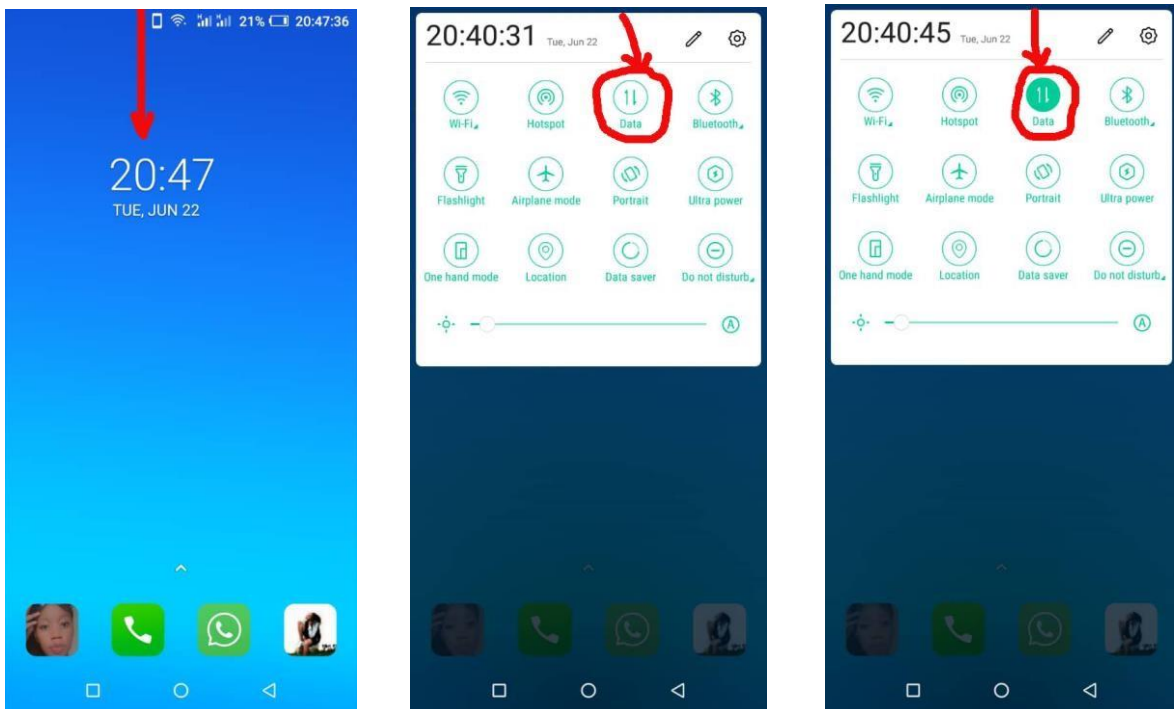

2. Go to the section for “preferred SIM for” and click on “Mobile Data”

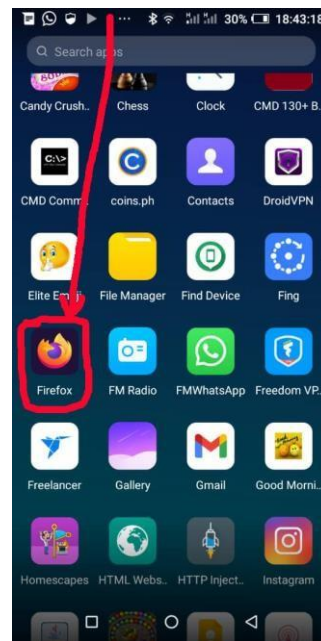

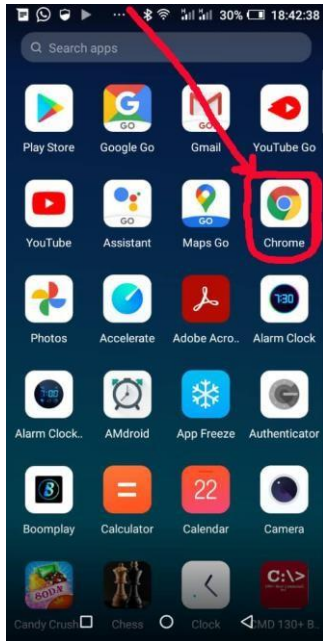

**3. Choose MTN as the preferred SIM for data**

**4. Scroll down from the top of your android mobile phone and look for the item labelled 'Data', click on it and ensure that it is activated or highlighted, but ensure that wifi icon remains deactivated.**

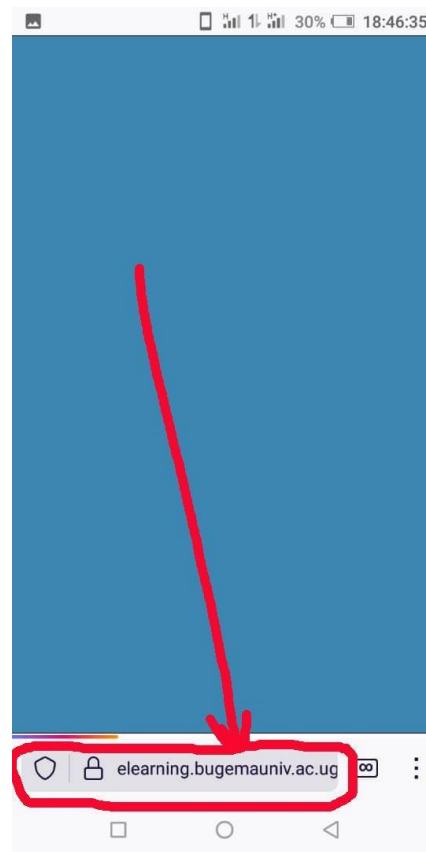

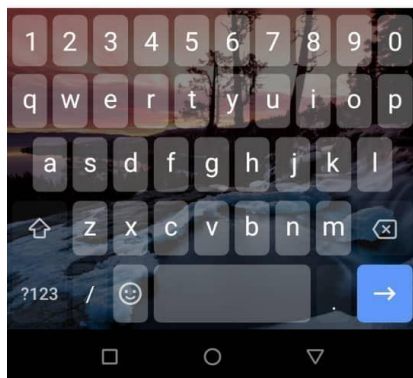

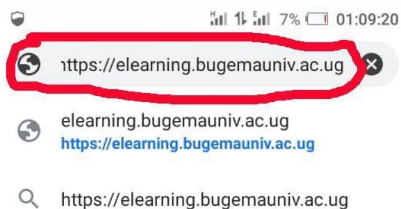

5. Go to your phone MENU and click on any internet browser, this may be Chrome, firefox, Safari, or any other browser of your choice.

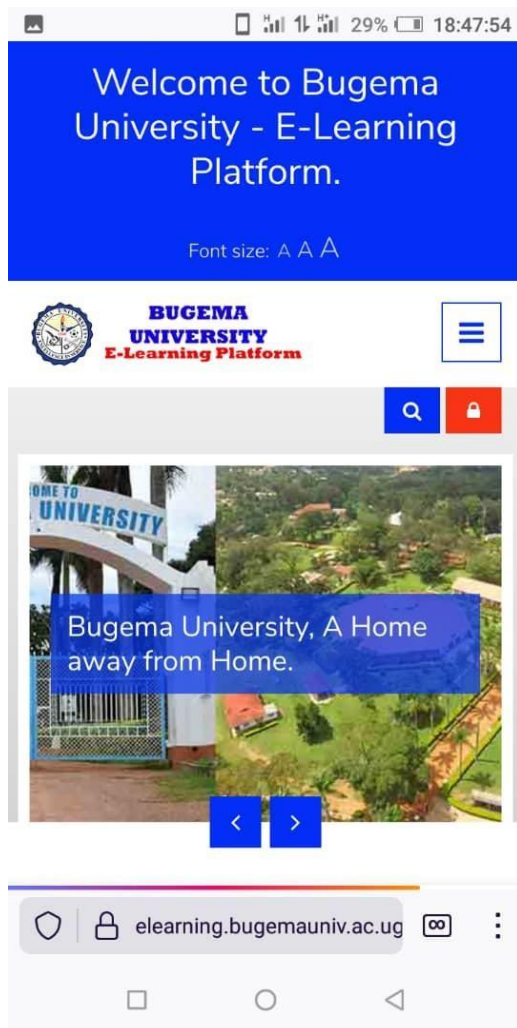

6. Once the Browser is open, locate the address bar and type the following link

<https://www.elearning.bugemauniv.ac.ug> in the current Firefox it will be at the top yet in chrome it will be at the bottom

7. Wait a little while and the Landing page for the University E-Learning platform to load and soon it will open.

**NOTE:**

- You neither have to be with a data bundle nor a connection to the Wi-Fi, in order for you to connect to the University E-learning Platform
- This zero rating service is currently running on ONLY mobile phones connected to MTN Network
- In case you have issues with this service, please contact the university IT-SUPPORT office
- Remember to keep safe by avoiding groups, using face masks, and always sanitizing your hands,
